Join the Indian Hill Democratic Club!

Please join the Indian Hill Democratic Club! Our purpose is to provide a local forum for interested Democrats to share our thoughts and ideas about what our party should be doing locally, in Ohio and our nation, as well as to provide support to local candidates during elections.

Join as a Lifetime Member for \$500 and be put on the club’s rolls with no further membership charges ever! Or you can become a Sustaining Member for \$100, and be listed on our charter as one of the folks who helped us get our organization off the ground. Your participation as a Regular Member will assure you of being informed about all our activities and your \$25 donation will help us with our administrative and other expenses as we build our organization.
